Utilizing an Evidence-Based Approach in Developing a SIM Lab Module to Bridge the Gap Between “Textbook” and Nursing Practicum in the Preoperative Setting

Saturday, February 23rd, 2019
7:30am – 12:00pm

Location: CHI Health Immanuel Medical Center in the Happy Hollow Conference Room, 6901 North 72nd Street, Omaha, NE 68122 - Emergency phone # 402-717-8000

Outcome: To enable the nurse to increase knowledge on the research process and development of a simulation lab module

Target Audience: All perianesthesia nurses

Overall Program Objective: Discuss clinical priorities for the perianesthesia nurses.

Accreditation Statement

This activity has been submitted to the American Society of Perianesthesia Nurses for approval to award contact hours. The American Society of Perianesthesia Nurses is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.
